Symposium ROAD to 2030

November 17th, 2025
Amphithéâtre Buffon – Paris

08h45 – 09h15	Welcome coffee	12h25 – 13h30	Lunch break
09h15 – 09h20	Introduction	13h30 – 13h50	European Calls – Cluster Health Aude Raimbault Inserm European Affairs Officer
09h20 – 09h30	ROAD to 2030 network Francis Berenbaum, Jérôme Guicheux, Nathalie Grivel, coordinators of the network	13h50 – 14h00	Arthritis, empowering tomorrow's scientific leaders Lionel Comole, Chief Executive Fondation Arthritis
09h30 – 10h45	Session 1 – Pain and inflammation in musculoskeletal disorders Chairs: Alice Courties & David Moulin	14h00 – 15h15	Session 3 – Epidemiology: the burden of musculoskeletal disorders Chairs: Roland Chapurlat & Francis Guillemin
09h30 – 10h10	Stromal cells – critical drivers of pain in arthritis? Franziska Denk Kings College London (UK)	14h00 – 14h40	The developing epidemiology of musculoskeletal disorders Nicholas Fuggle University of Southampton (UK)
10h10 – 10h45	Selected talks Abstract presentation Abstract presentation Abstract presentation	14h40 – 15h15	Selected talks Abstract presentation Abstract presentation Abstract presentation
10h45 – 11h00	Coffee break	15h15 – 16h00	Posters and Coffee break
11h00 – 11h10	Being patient in 2030 Françoise Alliot Launois President of AFLAR	16h00 – 17h15	Session 4 – Metabolism in musculoskeletal disorders Chairs: Claudine Blin & Claire Vinatier
11h10 – 12h25	Session 2 – Aging of the locomotor system Chairs: Bénédicte Chazaud & France Pietri-Rouxel	16h00 – 16h40	The mitochondria heterogeneity upon aging Jean-Philippe Pradère RESTORE lab - Toulouse
11h10 – 11h50	Therapeutic landscape of strategies targeting age-related sarcopenia and the potential of GDF5-based treatments Sestina Falcone Centre de recherche en myologie - Paris	16h40 – 17h15	Selected talks Abstract presentation Abstract presentation Abstract presentation
11h50 – 12h25	Selected talks Abstract presentation Abstract presentation Abstract presentation	17h15 – 17h30	Conclusion
